

Tips and Terms of Use:

1. Keep the bag dry. Prolonged exposure to moisture may cause deformation.
2. Avoid overloading the bag to prevent wrinkles, deformation, or surface cracking.
3. Do not expose the bag to direct sunlight, excessive heat, or chemical solvents.
4. Keep metal accessories away from humid or salty environments to prevent oxidation.
5. Store the bag in a dry, well-ventilated area.
6. Clean with a soft brush or cotton cloth using appropriate materials.
7. Do not machine wash, as this may deform the bag and oxidise metal parts.

Warranty conditions

1. Calumet PRIME Bags are covered by a 5-year limited warranty, effective from the date of purchase. The warranty covers defects in materials and workmanship under normal use and care, as outlined in the care instructions.
2. Natural wear and colour fading after long time sun exposure are not quality problem/defects.

Tips, Warranty & Term of use

1x PRIME Sling 10L

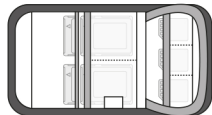

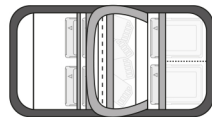

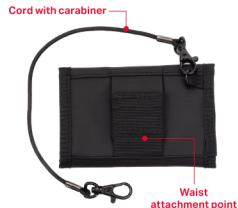

1x Cord with carabiner
